To see a Doctor

Appointments are not necessary but are recommended. The waiting time without an appointment is un-predictable.

Emergencies will always be given priority.

Doctors aim to see appointments on time, however sometimes delays can occur.

Longer consultations are available by appointment only.

Results

When referred for tests, we recommend you make a follow-up appointment. Results will not be discussed over the phone for privacy and medicolegal reasons. You are welcome to call the practice to find out if your results are back.

Telephone Access

In general, phone consultations are not available, unless for a medical emergency. GPs in the practice may be contacted during normal opening hours. If the GP is with a patient, a message will be taken and the doctor will call back when they have available time. In an emergency your call will be put through to a nurse or doctor.

Medical Certificates

Are legal documents and cannot be issued without actually seeing the Doctor and they cannot be issued retrospectively.

Fees and Billing Arrangements

The GPs at our practice bulk bill all patients with a current Medicare/DVA card. If you do not have a Medicare/DVA card please enquire with the receptionist regarding fees.

Reminder System

Our practice is committed to preventative care. We may issue you with a reminder notice from time to time offering you preventative health services appropriate to your care.

If you do not wish to be part of this system please let your doctor know.

Referrals

Our GPs are experienced at handling many medical concerns. At times they may refer you to a specialist for further help. Referrals are legal documents and cannot be back dated under any circumstances.

Management of Health Information

Your medical record is a confidential document. It is the policy of this practice to maintain the security of personal health information at all times and to ensure that this information is only available to authorized members of staff. We abide by the 10 national Privacy Principles available at www.privacy.gov.au/health/index/html.

Access to personal health information

Patients of our practice have the right to access their personal health information under the Privacy Amendment (Private Sector) Act 2000.

Our practice endeavors to assist patients in granting access where possible and according to the privacy legislation. Please inform the doctor or reception staff if you wish to have access to your health information.

Your Rights

We take your concerns, suggestions and complaints seriously. Our staff are happy to discuss any concerns you may have in person or in writing.
